Amendment to Minutes (Town Forum 26.10.06) para. 8 - 'Grot Spots'

"Grot Spots Re-visited - Daniel Bech gave a short presentation on the town's top ten grot spots from 2005 which highlighted that there had been little or no, improvement in any.

Daniel also noted that it had been agreed with Gary Stevenson that the 'Brighten-up RTW' Focus Group, now Townscape and Street scene Committee, would act as a formal complaint body.

The Forum was extremely disappointed in these clear areas of failure and asks TWBC to attend to grot spot issues as a matter of priority."
