

A G E N D A

Thursday 27 September 2012 at 6.30 pm
Council Chamber, Royal Tunbridge Wells, Kent TN1 1RS

1 Apologies

2 Declarations of Substitute Members

3 Membership Changes

- a Membership Applications (for decision)
- b Changes of Representatives (for information)

4 Minutes of the Previous Meeting held on 26 July 2012 (Pages 1 - 6)

5 Actions from Previous Meetings

- a Chairman's actions (minutes 39(b), 42 and 43)
- b Michael Doyle's action (minute 52) (See item 8 below)

6 Localisation of Council Tax Support

A presentation by Steve McGinnes, TWBC's Head of Revenues and Benefits, on the Government's changes to the national council tax benefit scheme, requiring a locally-determined alternative, which must deliver a 10% cost saving. This is the subject of a current consultation process via the Council website:

http://tunbridgewells-consult.limehouse.co.uk/public/benefits_council_tax/ctbs

7 Future Role of the Town Forum (Pages 7 - 14)

To receive the attached reports:

- (a) "Towards a more effective RTW Town Forum" – as amended from the July meeting
- (b) A summary of the feedback received from member organisations re. area of coverage and number of households represented

8 The Former Kent and Sussex Hospital Site

A planning application has now been submitted for this site. The Town Forum has already accepted the principle of seeking a Planning Forum relating to this application.

A Planning Forum is a process where the Borough Council arranges for early discussion of the planning issues raised by local residents and other interested parties on major applications. Views can be presented to councillors, planning officers and the applicant some weeks before a planning application is finally determined, with the aim of exploring the scope for building consensus and for resolving concerns.

To trigger a Planning Forum, a minimum of 25 signatures is required from Borough residents.

9 The Forthcoming AGM

- (a) Proposed working groups
- (b) Changes to the Constitution: the number of meetings representatives are required to attend, to reflect the reduced number of Town Forum meetings

10 The Water in the Wells Working Group

To receive a verbal update on the Water in the Wells Working Group from its Chairman, Michael Holman

11 Any Other Business

Dates of the Next Meetings

25 October 2012 (Annual Meeting)

29 November 2012

December – no meeting

ROYAL TUNBRIDGE WELLS TOWN FORUM

Thursday 26 July 2012

Attended: Cllr Bob Backhouse, Sally Balcon, David Barnett (sub), Lorna Blackmore, Stephen Bowser (sub), June Bridgeman, Cllr Peter Bulman, David Bushell (sub), Cllr Ben Chapelard, John Cunningham, Michael Doyle, Jane Fenwick (Chairman of meeting), Anne Forster, John Forster, Tim Harper, Léonie Harrington, Sue Kaner, Jim Kedge, Kyrios Kyriacou, Katharina Mahler-Bech, Jeanne Michau (sub), Chris Morris, David Morris (sub), Marguerita Morton, Christine Phillip (sub), Cllr David Scott, Kate Sergeant, Cllr Mrs Lynne Weatherly, Victor Webb, Philip Whitbourn and Cllr Frank Williams

Also in attendance for minute 49: Ptolemy Dean and Stuart Page

44. APOLOGIES FOR ABSENCE

Apologies for absence were reported from the Chairman, David Wakefield, together with Johnathan Brooks, Alan Bullion, Betsey Dix, Maggie Fraser, Dorothea Holman, Michael Holman, J Paul Lambert, Stephen Marshall, John Mattei, Altan Omer, Angela Phillips, Anne Stobo, Mary Wardrop, Margaret Watts and Councillors Mrs Mayhew, Neve and Poile.

45. DECLARATIONS OF SUBSTITUTE MEMBERS

The following declarations of substitute attendance were made: David Barnett for J Paul Lambert; Stephen Bowser for Jenina Pendry; David Bushell for Angela Phillips; Anne Forster for Anne Stobo; Jeanne Michau for Dorothea Holman; David Morris for Maggie Fraser; and Christine Phillip for Michael Holman.

46. MEMBERSHIP CHANGES

Mike McGeary advised that Margaret Watts had been appointed as the new representative of the Citizens' Advice Bureau (but had given her apologies for absence for his meeting). He added that Tim Harper had been appointed as the new representative for the Camden Park Residents' Association, in place of Michelle Hull, and that Mrs Nikki Brauer had been appointed as a substitute member.

47. MINUTES OF THE PREVIOUS MEETING

RESOLVED – That the minutes of the meeting held on 28 June 2012 be agreed, subject to the addition of Victor Webb in the list of members who had given their apologies for absence.

48. ACTIONS FROM PREVIOUS MINUTES

28 June 2012

39 KCC's Commissioning Plan for Education Provision 2012-17

LH (a) Léonie Harrington, KCC's Community Engagement Officer, to forward a copy of the Town Forum's response to the six county councillors in the Tunbridge Wells Borough.

Léonie Harrington confirmed this action.

Agenda Item 4

DW (b) The Chairman to contact Mary Harris at the Courier, to encourage press coverage of the Town Forum's consultation response.

The meeting was advised that this had been actioned.

40b Town Plan Panel

DW The Chairman to contact Bob Atwood, Chairman of the Town Plan Panel, to request that a presentation be made on their findings to the 26 July meeting.

This had been actioned and had become the substantive item on this agenda.

42 Proposals for the Kent and Sussex Hospital site

DW The Chairman to write formally to Berkeley Homes, calling for some form of community provision within the K&S Hospital redevelopment proposals, and that a significant amount of local labour should be used.

It was noted that this task had been completed on 2 July.

43 The use of Borough Council parks

DW The Chairman and Jane Fenwick to raise the principle with TWBC of the Forum being involved in formal discussions regarding the use of town centre parks.

Jane Fenwick advised that this had not yet been arranged.

49. THE TOWN PLAN PANEL

The Chairman welcomed the following members of the Town Forum who had been part of the Tunbridge Wells Town Plan Advisory Panel, to answer questions about their work: John Forster, Katharine Mahler-Bech and Philip Whitbourn. Two other members of the Advisory Panel were in attendance, to assist: Ptolemy Dean and Stuart Page.

The Chairman also drew attention to a briefing note on the Council's Local Development Scheme, which had been prepared by Louise Phillips, the Planning Policy Manager. This described how the report of the Town Plan Advisory Panel would be considered by the Borough Council as part of the Town Centres Area Action Plan, which now formed part of the Local Development Scheme.

John Forster led the Panel's response. He explained how the Panel had been formed, what its working methodology had been and how it had been agreed that no specific presentation would be provided for any interest group at this stage, merely a willingness to answer detailed questions about its working method, the report's content and its conclusions.

A wide range of questions about the Panel's work was asked, covering:

The Panel's vision – how did it see Tunbridge Wells adapting to the 21st century? How should the town encourage a vibrant working population over the next 30 years? What lessons can we learn from similar towns, who have managed to achieve vitality and preserve their special heritage? How do we achieve a greater

Agenda Item 4

number of 'staying' tourists? Where was the strategic direction from TWBC on the town benefitting from tourism?

In response, the Panel representatives stressed how their report had tried to capture what was important to the town – how its history as a spa town had helped to make it such an attractive place to live in. Rather than to view the report as a preservation-based document, it should be seen as how to encourage 'creative re-use', i.e. to capture what is important to preserve and try and ensure it did not become a clone of so many other towns.

In respect of tourism – and the financial benefits that can bring to the town – the Panel representatives acknowledged the need for more hotel accommodation but cautioned that this should be of the right calibre for the town, i.e. not a mass-market approach. The Borough Council was urged to take a robust line in respect of any hotel provision within the cinema site, for instance, more of an imaginative boutique hotel presence rather than Premier Inn-type accommodation.

Transport links and traffic management – How would the Panel's recommendations help people to move around the town more easily and encourage improved public transport? How can the town centre deal with its current disconnection from the hospital and from its major trading estate?

The Panel representatives urged a more committed approach to public transport, by making best use of the town's good links to London and look to reinstate a direct link with Brighton.

As for the current road link with the North Farm shopping area, the Panel representatives felt that this area represented a vital retail addition to what the town has to offer but expressed dismay that the road connection was so inadequate.

What response was hoped for from the Town Forum? How was the Panel's report viewed by the Borough Council?

The Panel representatives advised that their report would be considered by the Borough Council as the views of one particular interest group, amongst many other group and individual submissions. They added that they hoped very much that the issues their report raises will be acknowledged by the Borough Council, listened to and a considered response given.

A lot of the recommendations, the representatives added, were aspirational but there were some 'quick wins', they advised. These would be prioritised as part of their next stage in the process, the Forum learnt.

As a concluding comment, the Panel representatives expressed concern that a Town Centres Area Action Plan approach built upon the premise that more retail would prove to be the saviour for the town was an out-dated approach. A more creative approach was needed, they urged, whereby the whole community can become involved in the process.

Next stages - It was noted that, under the next item on the agenda, a 'Planning and Development' working group would become active once more. The Panel representatives expressed the hope that the issues raised within their report might form a key part of the working group's activity.

Agenda Item 4

The Forum members endorsed this view and asked that the Management Committee work out a process and timetable to achieve this.

In conclusion, the Chairman of the meeting thanked the Panel representatives for their attendance and for answering Forum members' questions so informatively and enthusiastically and for generating so much interest in the issue.

The Panel representatives added that the next stage of their work would begin in September, after which, if the Town Forum wished, they would be happy to return and respond further.

Action – If the Town Forum approves the way forward for the group under minute 50 below, **the Management Committee** examine how the Planning and Development working group can build upon the key findings and recommendations of the Tunbridge Wells Town Plan Advisory Panel.

50. FUTURE ROLE OF THE TOWN FORUM

As agreed in June, the Chairman of the meeting presented a progress report, setting out how options 2 and 7 had been used as a basis for improving the working and the effectiveness of the Town Forum.

The circulated report described how it was recommended that the work of the Forum would be more focused on a number of working groups, with the number of meetings of the full Forum being reduced from its current number of 10 to no more than six. The report also defined more clearly what the expected role of the Management Committee would be.

June Bridgeman sought clarification on two key issues: (i) was it appropriate to place so much executive authority in the hands of the Management Committee members; and (ii) if the working group membership were limited to five in each case, how would the majority of the Forum's membership feel engaged in the process?

The Chairman of the meeting believed that the structure encouraged an emphasis away from the Management Committee and more towards the working groups, whose number and topics reflected the current situation but could be increased and changed as needed. The working group membership of five, the Chairman added, was not fixed, but an optimum. They could include a membership drawn from across the Town Forum and co-opted experts from beyond, to encourage greater engagement.

Mike McGeary advised that the Borough Council management and political leadership wished to discuss aspects of the proposals and suggested that the current Forum Management Committee should meet with the Leader of the Council and the Chief Executive during the next month.

There was general support for the direction of the review and for the next stages, which would lead to a detailed proposal coming before the full membership at their September meeting.

Action – **The Town Forum Management Committee** to meet with the Leader of the Council and the Chief Executive, to discuss the future role of the Forum.

51. MATTERS ARISING FROM 28 JUNE 2012 MINUTES

41 Water in the Wells Working Group

In the absence of the Chairman of this working group, Forum members heard that a good response to the proposal had been received from a number of key organisations and individuals with whom discussions had been taking place. A more detailed update would be provided at the next meeting.

52. THE FORMER KENT AND SUSSEX HOSPITAL SITE

Michael Doyle felt that there was sufficient interest in this site for the Town Forum to ask the Borough Council to hold a Planning Application Forum, the process for which he outlined.

This view was strongly endorsed.

Action – As soon as the planning application for the site has been submitted to the Borough Council, **Michael Doyle** to co-ordinate the completion of a petition – requiring at least 25 signatures – to be submitted to the Planning Service of the Borough Council.

53. ANY OTHER BUSINESS

The development of the Town Forum website

The Chairman of the meeting reported that she had discussed the issue of the development of the Forum's website with both Katharina Mahler-Bech and Dave Barnett. There had been agreement that the next stage would be to develop a new 'front page', which needed to be connected to the existing data and information. She sought offers of help to assist with the process.

In the absence of an immediate response, the Chairman of the meeting asked that any interested person should contact her direct.

Action – Any interested person from amongst, or known to, the **Town Forum membership** to contact Jane Fenwick if they can assist with the website development.

54. DATE OF NEXT MEETING

Cllr Scott advised that the dates of the next two Town Forum meetings clashed with those of a Cabinet Advisory Board of which he was a member. He therefore gave his apologies for absence for the September and October meetings.

The meeting concluded at 8.30pm.

This page is intentionally left blank

Agenda Item 7

TOWN FORUM MEETING, 27th September 2012

TOWARDS A MORE EFFECTIVE RTW TOWN FORUM

Summary of changes to the working and effectiveness of the Town Forum

PLENARY MEETINGS

Not more than six Plenary meeting to be held each year of which one must be an AGM for the election of officers, setting priorities for the Town Forum and assessing its achievements to date. Typical Plenary meeting schedule: September (AGM) and November, January and March, May and July.

WORKING GROUPS

The new arrangements for the Town Forum from October 2012 will place great importance on the effectiveness of working groups. They will do the “leg work “of the Town Forum, meet frequently – probably monthly - and report back to the Town Forum members. A member of the management committee will be on each working group to assist with liaison within the Town Forum.

Working Groups will comprise a chairman, and at least four others Town Forum Members and non-parished area Councillors. An ideal Working Group size will be five. Other persons from Town Forum membership organisations and wider population in Tunbridge Wells, may be co-opted to contribute expertise. The Town Forum chairman and vice chairmen may also sit on working groups to monitor progress and facilitate co-ordination.

Working groups will undertake research, write reports and draft consultation responses and speak to relevant officials and interested parties on specific areas of interest. They will keep the Town Forum membership informed of progress and seek their input into their work. The output of working groups will be that of the Town Forum and therefore the Town Forum chairman and management committee will have final approval before submission or publication.

The main objective of each group will be:

- To establish a strategy relevant to the Group which meets with the approval of the Town Forum, and looks forward between a year and five years ahead.
- To establish contact with the persons/organisations in the local area who are responsible for delivering results to the public for that service or facility. (This is not limited to the TWBC, but includes such bodies as KCC, NHS and businesses.)
- To set up the dialogue with appropriate persons/organisations/councillors and establish an effective strategy for securing the aims of the Town Forum.
- To report back on the success (or otherwise) in these matters to the Chairman and Town Forum.

There will be five working groups, and their roles will be as follows:

Planning and Development Strategy:

To scrutinize submissions for major developments in the TW unparished area and prepare consultation responses; to engage with relevant parties about proposed developments at the earliest opportunity; to promote the aims and objectives of the Town Centre Panel Report (2012); to promote excellence in design and planning of the built environment and removal of ‘grot spots’ ; consider the future of the Town Hall complex in support of the aims of the Leisure, Culture and Tourism Working Group

Traffic Strategy:

To encourage a higher profile for traffic management, parking strategy, and pedestrian friendly policies that will result in schemes that will positively improve the experience for people living in and visiting Tunbridge Wells town centre; engage with business and local residents about issues and problems arising from poor traffic management policies; encourage community led ideas to utilise public space and streets differently and for the wider community.

Leisure, Culture and Tourism:

To encourage the development of a long term strategy that embraces improved facilities and services for residents and visitors alike, and that benefits business and employment; to recognise L,C&T as an important sector in the TW economy and employment, in bringing visitors to the town and supporting the town as a 'good place to live'; bring forth a strategy for improved facilities to house cultural assets including the museum, art gallery and library, and Assembly Rooms .

Water in the Wells:

To continue to promote the importance to TW of its spa history to TWBC, residents, business and visitors; to work with other TF Working Groups to ensure Water in the Wells concept is embedded with policymakers; to ensure a long term strategy for the effective finance and maintenance of water facilities installed in public places.

Finance and other issues:

To scrutinize TWBC and KCC financial plans and respond to consultations on budgets; to be the working group for any other issue of substance that may arise, and where necessary form a permanent working group from Town Forum members.

TOWN FORUM CHAIRMAN AND MANAGEMENT COMMITTEE

The Chairman supported by two vice chairmen will

1. Establish priorities for the Town Forum and set clear outcomes
2. Support, encourage and co-ordinate the work of the Working Groups to ensure the development of constructive proposals from the Town Forum
3. Secure representation from all areas of the town not already represented or engaged in the Town Forum
4. Promote the collective voice of the Town Forum to the wider public in Tunbridge Wells through print media, the Town Forum website and social media
5. Regularly liaise with TWBC staff, TWBC Leader and Councillors on matters of interest to the Town Forum and seek from them and provide to them more information relevant to the un-parished area; encourage greater engagement with Councillors of the un-parished areas.
6. Encourage Town Forum members to work together on common issues, and promote greater accountability of Town Forum representatives with their member organisations.
7. Chair Plenary meetings of the Town Forum

Consequential amendments to the Constitution of the Town Forum

to be proposed at the AGM on 25th October 2012

3. Voting entitlement

“In order to secure entitlement to vote at the Annual General Meeting (AGM) for executive positions or on membership proposals which have been brought to the Forum at the General or Extraordinary General Meeting, it is an absolute requirement that one or other named representative of the member organisation should have attended a combined total of four meetings in the previous twelve months.”

Amended to “two meetings in the previous 12 months.”

Add new section to 5

5a Working Groups

Working groups will take ownership of specific issues and projects as decided by the Town Forum chairman and management committee. These Working Groups will reflect the strategic direction of the Town Forum at that time, and will change in scope and membership over time.

Working Groups will comprise a chairman and at least four others comprising Town Forum Members and non-parished area Councillors. An ideal Working Group size will be five. Other persons from Town Forum membership organisations and wider population in Tunbridge Wells, may be co-opted to contribute expertise as decided by the chairman of the Working Group. The Town Forum chairman and vice chairmen may also sit on working groups to monitor progress and facilitate co-ordination.

The Working Group chairman will be responsible for ensuring progress on the issues at hand, liaise with the Town Forum chairman, and will report to the Town Forum for each plenary meeting. Working groups will undertake research, write reports and draft consultation responses and speak to relevant officials and interested parties on specific areas of interest. They will keep the Town Forum membership informed (primarily by email) of progress and seek their input into their work.

The output of working groups will be that of the Town Forum and therefore the Town Forum chairman and management committee will have final approval before submission or publication.

6 Duties of the Officers

Delete paragraphs headed *The duties of the Chair shall be to...* and *The duties of the two Deputy Chairs will be to*

And replace with

The Chairman supported by two vice chairmen will

1. Establish priorities for the Town Forum and set clear outcomes

Agenda Item 7

2. Support, encourage and co-ordinate the work of the Working Groups to ensure the development of constructive proposals from the Town Forum
3. Secure representation from all areas of the town not already represented or engaged in the Town Forum
4. Promote the collective voice of the Town Forum to the wider public in Tunbridge Wells through print media, the Town Forum website and social media
5. Regularly liaise with TWBC staff, TWBC Leader and Councillors on matters of interest to the Town Forum and seek from them and provide to them more information relevant to the un-parished area; encourage greater engagement with Councillors of the un-parished areas.
6. Encourage Town Forum members to work together on common issues, and promote greater accountability of Town Forum representatives with their member organisations.
7. Chair Plenary meetings of the Town Forum.

Section 7 General Meetings.

“There shall be nine general meetings, excluding the AGM, each year;”

Amended to

“There shall be not more than six plenary meetings including the AGM each year;”
